1 4. **Cooperation with Board Staff.** Respondent shall cooperate with the
2 Board's inspection program and in the Board's monitoring and investigation of Respondent's
3 compliance with the terms and conditions of her probation. Failure to cooperate or comply
4 with Board monitoring or investigation shall be considered a violation of probation.

5 5. **Continuing Education.** Respondent shall provide evidence of efforts
6 to maintain skill and knowledge as a pharmacist as directed by the Board.

7 6. **Community Services Program.** Within sixty (60) days of the effective
8 date of this decision, Respondent shall submit to the Board or its designee, for prior approval,
9 a community service program in which Respondent agrees to provide free health-care related
10 services on a regular basis to a community or charitable facility or agency for a total of at least
11 300 hours during the first two (2) years of probation, and shall subsequently serve said hours
12 in timely fashion. The hours served shall be in addition to and not include any hours already
13 served or to be served for requirements imposed by another authority or agency (e.g., criminal
14 probation). Respondent shall include in her quarterly reporting to the Board a running tally
15 and assessment of the hours served. Failure to timely report on, or to make timely progress
16 toward completion of, the service hours shall be considered a violation of probation.

17 7. **Rehabilitation Program - Pharmacists Recovery Program (PRP).**

18 Within thirty (30) days of the effective date of this decision, Respondent shall
19 contact the Pharmacists Recovery Program (PRP) for evaluation and shall successfully
20 participate in and complete the treatment contract and any subsequent addendums as
21 recommended and provided by the PRP and as approved by the Board. The costs for PRP
22 participation shall be borne by Respondent. If Respondent is currently enrolled in the PRP,
23 said participation is now mandatory and is no longer considered a self-referral under Business
24 and Professions Code section 4363, as of the effective date of this decision. Respondent shall
25 hereafter successfully participate in and complete her current contract and any subsequent
26 addendums with the PRP. Probation shall be automatically extended until Respondent
27 successfully completes any such treatment contract(s).

28 ///

1 If Respondent is terminated from the program, her license to practice shall be
2 automatically suspended upon notice by the Board. Respondent may not resume the practice
3 of pharmacy until notified by the Board in writing. The Board shall retain jurisdiction to
4 institute action to terminate probation for any violation of this term.

5 8. **Random Drug Screening.** Respondent, at her own expense, shall
6 participate in random testing, including but not limited to biological fluid testing (urine,
7 blood), breathalyzer, hair follicle testing, or a drug screening program approved by the Board.
8 Testing shall be required for the entire probation period and the frequency of testing will be
9 determined by the Board. At all times Respondent shall fully cooperate with the Board, and
10 shall, when directed, submit to such tests and samples for the detection of alcohol, narcotics,
11 hypnotics, dangerous drugs or other controlled substances. Failure to submit to testing as
12 directed shall constitute a violation of probation. Any confirmed positive drug test shall result
13 in the immediate suspension of practice by Respondent. Upon such suspension, Respondent
14 may not resume the practice of pharmacy until notified by the Board in writing.

15 9. **Abstain from Drugs and Alcohol Use.** Respondent shall completely
16 abstain from the possession or use of alcohol, controlled substances, dangerous drugs and their
17 associated paraphernalia except when a drug is lawfully prescribed by a licensed practitioner
18 as part of a documented medical treatment. Upon request of the Board, Respondent shall
19 provide documentation from the licensed practitioner that the prescription was legitimately
20 issued and is a necessary part of the treatment of the Respondent.

21 10. **No Ownership of Premises.** Respondent shall not own, have any legal
22 or beneficial interest in, or serve as a manager, administrator, member, officer, director,
23 associate, or partner of any business, firm, partnership, or corporation currently or hereinafter
24 licensed by the Board. Respondent shall sell or transfer any legal or beneficial interest in any
25 entity licensed by the Board within 90 days following the effective date of this decision and
26 shall immediately thereafter provide written proof thereof to the Board.

27 ///

28 ///

1 11. **No Preceptorships, Supervision of Interns, Being Pharmacist-in-**
2 **Charge (PIC), or Serving as a Consultant.** Respondent shall not supervise any intern
3 pharmacist or perform any duties of a preceptor, nor shall Respondent be the pharmacist-in-
4 charge of any entity licensed by the Board during the period of probation.

5 12. **Supervised Practice.** Respondent shall practice only under supervision
6 of a pharmacist not on probation with the Board, and shall not practice until the supervisor is
7 approved by the Board. The supervision shall be, as required by the Board, either:

8 Continuous - 75% to 100% of a work week;

9 Substantial - At least 50% of a work week;

10 Partial - At least 25% of a work week; or

11 Daily Review - Supervisor's review of daily activities within 24 hours.

12 Within 30 days of the effective date of this decision, Respondent shall have her supervisor
13 submit notification to the Board in writing stating the supervisor has read the decision in Case
14 Number 3141 and is familiar with the level of supervision as determined by the Board.

15 If Respondent changes employment, Respondent shall have her new supervisor,
16 within 15 days after employment commences, submit notification to the Board in writing
17 stating the direct supervisor and pharmacist-in-charge have read the decision in Case Number
18 3141 and is familiar with the level of supervision as determined by the Board.

19 13. **Notice to Employers.** Respondent shall notify all present and
20 prospective employers of the decision in Case Number 3141 and the terms, conditions and
21 restrictions imposed on Respondent by the decision. Within 30 days of the effective date of
22 this decision, and within 15 days of Respondent undertaking new employment, Respondent
23 shall cause her direct supervisor, pharmacist-in-charge and/or owner to report to the Board in
24 writing acknowledging the employer has read the decision in Case Number 3141.

25 If Respondent works for or is employed by or through a pharmacy employment
26 service, Respondent must notify the direct supervisor, pharmacist-in-charge, and/or owner at
27 every pharmacy of the and terms conditions of the decision in Case Number 3141 in advance
28 of the Respondent commencing work at each pharmacy.

1 "Employment" within the meaning of this provision shall include any full-time,
2 part-time, temporary, relief or pharmacy management service as a pharmacist,
whether the Respondent is considered an employee or independent contractor.

3 14. **Notification of Employment/Mailing Address Change.** Respondent
4 shall notify the Board in writing within ten (10) days of any change of employment. Said
5 notification shall include the reasons for leaving and/or the address of the new employer,
6 supervisor or owner and work schedule if known. Respondent shall notify the Board in
7 writing within ten (10) days of a change in name, mailing address or phone number. Failure to
8 timely provide either notification to the Board shall be considered a violation of probation.

9 15. **Reimbursement of Board Costs.** Respondent shall pay to the Board
10 its costs of investigation and prosecution in the amount of \$7,700.00. Payments shall be due
11 on a quarterly basis, with the entire amount to be paid within two (2) years. Failure to make
12 timely payments of Board costs as directed shall be considered a violation of probation.

13 The filing of bankruptcy by Respondent shall not relieve Respondent of her
14 responsibility to reimburse the Board its costs of investigation and prosecution.

15 16. **Probation Monitoring Costs.** Respondent shall pay costs associated
16 with probation monitoring as determined by the Board each and every year of probation. Such
17 costs shall be payable to the Board at the end of each year of probation. Failure to timely pay
18 such costs as directed shall be considered a violation of probation.

19 17. **Status of License.** Respondent shall, at all times while on probation,
20 maintain an active current license with the Board, including any period during which a period
21 of suspension or probation is tolled.

22 If Respondent's license expires or is cancelled by operation of law or
23 otherwise, upon renewal or reapplication Respondent's license shall be subject to all terms
24 and conditions of this probation not previously satisfied.

25 18. **Tolling of Probation.** Respondent shall work at least forty (40) hours
26 as a pharmacist in each calendar month and at least an average of eighty (80) hours per month
27 in any six (6) consecutive months. Failure to do so will be considered a violation of
28 probation. If Respondent has not complied with this condition during the probationary term,

1 and Respondent has presented sufficient documentation of her good faith efforts to comply
2 with this condition, and if no other conditions have been violated, the Board, in its discretion,
3 may grant an extension of Respondent's probation period of up to one (1) year without further
4 hearing in order to comply with this condition.

5 Should Respondent, regardless of residency, for any reason cease practicing
6 pharmacy for a minimum of forty (40) hours per calendar month in California, Respondent
7 must notify the Board in writing within ten (10) days of cessation of the practice of pharmacy
8 or the resumption of the practice of pharmacy. Such periods of time shall not apply to the
9 reduction of the probation period. It is a violation of probation for Respondent's probation to
10 remain tolled pursuant to this term and condition for a period exceeding three (3) years.

11 "Cessation of practice" means any period of time exceeding thirty (30) days in
12 which Respondent is not engaged in the practice of pharmacy as defined in
 Section 4052 of the Business and Professions Code.

13 **19. License Surrender while on Probation/Suspension.** Following the
14 effective date of this decision, should Respondent cease practice due to retirement or health, or
15 be otherwise unable to satisfy the terms and conditions of probation, Respondent may tender
16 her license to the Board for surrender. The Board shall have the discretion whether to grant
17 the request for surrender or take any other action it deems appropriate and reasonable. Upon
18 formal acceptance of the surrender of the license, Respondent will no longer be subject to the
19 terms and conditions of the probation set forth herein. Upon acceptance of the surrender,
20 Respondent shall relinquish her pocket license to the Board within ten (10) days of
21 notification by the Board that the surrender of the license is accepted.

22 Respondent may not reapply for any license from the Board for three (3) years
23 from the effective date of the surrender. Respondent shall meet all requirements applicable to
24 the license sought as of the date the application for that license is submitted to the Board.

25 **20. Violation of Probation.** If Respondent violates probation in any
26 respect, the Board, after giving Respondent notice and an opportunity to be heard, may revoke
27 probation and carry out the disciplinary order which was stayed. If a petition to revoke
28 probation or an accusation is filed against Respondent during probation, the Board shall have

1 continuing jurisdiction and the period of probation shall be extended, until the petition to
2 revoke probation or accusation is heard and decided.

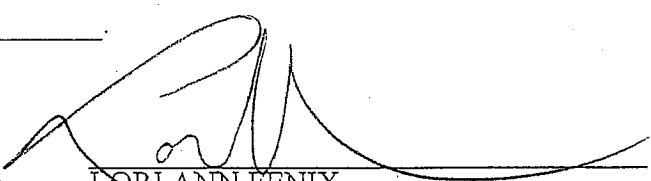

3 If Respondent has not complied with any term or condition of probation, the
4 Board shall have continuing jurisdiction over Respondent, and probation shall automatically
5 be extended until all terms and conditions have been satisfied or the Board has taken other
6 action as deemed appropriate to treat the failure to comply as a violation of probation, to
7 terminate probation, and/or to impose the penalty which was stayed.

8 21. **Completion of Probation.** Upon successful completion of probation,
9 Respondent's license will be fully restored.

9 restored, reissued or reinstated. Section 4402(a) of the Code provides that any pharmacist license
10 that is not renewed within three years following its expiration may not be renewed, restored, or
11 reinstated and shall be canceled by operation of law at the end of the three-year period. Section
12 4402(e) of the Code provides that any other license issued by the Board may be canceled by the
13 Board if not renewed within 60 days after its expiration, and any license canceled in this fashion

15 STATUTORY PROVISIONS

16 7. Section 4301 of the Code provides, in pertinent part, that the Board shall
17 take action against any holder of a license who is guilty of "unprofessional conduct," defined to

25 dangerous drug or of alcoholic beverages to the extent or in a manner as to be dangerous or
26 injurious to oneself, to a person holding a license under this chapter, or to any other person or to
27 the public, or to the extent that the use impairs the ability of the person to conduct with safety to
28 the public the practice authorized by the license.

1
2 “(j) The violation of any of the statutes of this state or of the United States
3 regulating controlled substances and dangerous drugs.

4

7 applicable federal and state laws and regulations governing pharmacy, including regulations
8 established by the board.

9 8. Section 4059 of the Code, in pertinent part, prohibits furnishing of any
10 dangerous drug or dangerous device except upon the prescription of an authorized prescriber.

11 9. Section 4060 of the Code provides, in pertinent part, that no person shall
12 possess any controlled substance, except that furnished upon a valid prescription/drug order.

14 prescribe, administer, or furnish a controlled substance for himself or herself.

15 11. Health and Safety Code section 11173, subdivision (a), provides that no
16 person shall obtain or attempt to obtain controlled substances, or procure or attempt to procure
17 the administration of or prescription for controlled substances, (1) by fraud, deceit,
18 misrepresentation, or subterfuge; or (2) by the concealment of a material fact.

19 12. Health and Safety Code section 11350, in pertinent part, makes it unlawful
20 to possess any controlled substance classified in Schedule III, IV, or V (Health and Safety Code
21 sections 11056-11058) which is a narcotic drug, except upon a valid prescription.

22 13. Health and Safety Code section 11377, in pertinent part, makes it unlawful

24 sections 11056-11058) which is not a narcotic drug, except upon a valid prescription.
